Scam Alert

We want to alert everyone to an ongoing scam affecting parishes. Scammers are pretending to be priests or parish staff and contacting people by email or text asking for urgent help or gift cards. Please know that your priest or parish staff will **never** ask for gift cards or money in this way. If you receive a message like this, **do not respond** & contact the parish office directly.

Prayer Chain

The Prayer chain involves a group of dedicated people who pray every day for special requests and individuals needing extra prayers. If you wish to add a request to the Prayer Chain, please contact the parish office either by phone (607-273-6121) or email: (iimmacul@dor.org).

2025/2026 Catholic Ministries Appeal

We wish to extend a profound thank you to all parishioners who have already participated in making pledges and payments to the 2025/26 Catholic Ministries Appeal campaign. We have made good progress so far, and look forward to having everyone participate. The CMA funds important work in the diocese to keep our ministries more effective and meaningful.

As of May 24th we were still at about a 21% participation rate raising 89% of our goal. Any amount given is important and 100% participation is the only way for us to reach our goal. It is our prayer and hope that those who have not participated will soon do so during these last days of May.

If you have any questions, you may contact the parish office or a member of the finance council.

May God continue to bless you and your families.
Asante sana..

ONE WAY TO SUPPORT YOUR PARISH

If you have retirement accounts and you must begin or are already taking taxable required minimum distributions, you can bypass a portion of the taxable income by making gifts to charitable organizations such as our parish. You can arrange for these gifts to be made through your account custodian as a one time gift or periodic payments.

If you have not taken your 2026 distribution yet, please consider designating a gift to the CMA so we can meet our goal this year, to Immaculate Conception Church, or to our Cemetery.

A sincere thank you to all parishioners who support the church and its mission.

Most Holy Trinity

Trinity is all about the nature of God. The question of who God is, is answered on Trinity Sunday. All three readings for this feast are all about the nature of God. The first reading tells us the Biblical God is quite different from the god of the pagans. God does not become angry, is not willful, does not punish us and does not spy on us. The gospel tells us that He has not moved away from us, but has joined His life to the world and to ours. He does not live far away or terrify people. The second reading tells us that God is a family, a family open to us all.

THANK YOU

Many thanks to the office volunteers who so generously give of their time to help cover office hours when Erika is out. Among answering the phones and able to give out advice and directives, they also help to stuff bulletins when needed, and do other different types of odd jobs to help the office run smoothly. We'd be lost without them! Asante Sana!!!

What next after gift shop demolition?

We thank God that after more than 4 years of waiting the gift shop is finally taken down. Many thanks to the buildings and grounds team for their tireless effort to make this happen. It feels good not to be surrounded by a ghostly building!

The big question now; what happens next? There are many questions being asked on this matter. First, in the immediate, it will remain a vacant lot. In the long term, the lot will house the future rectory/parish office. The plans are already drawn and are ready to go when the funds are available for this proposed project. For it to happen in the future we will all need to work together. Nothing is impossible with the help of God who has helped us to be where we are today.

The current rectory is not in the best shape as we all know. It has many structural issues, accessibility is a great challenge, and not energy efficient. It is not worth putting more money to repair.

Ideas on this subject are welcomed. Our parish is blessed with generous and resourceful people. Feel free to share your good ideas with the members of the Building and grounds Team.
